

# About Us

## Our Story

LETI was founded in 1998 by Rosario Reyes, a first-generation immigrant from Peru, as a response to the lack of information and resources available to Latino immigrants. LETI's focus was and continues to be, to help immigrant individuals realize their full potential.

## Our Mission

To facilitate the personal and financial success of Spanish-speaking Latino immigrants and low-income individuals to pursue their dreams and become leaders in their communities. LETI strives to support family well-being and resilience through education, cultural awareness, and social justice, providing a forum for voices in the struggle toward racial equity.
