

About Us

Our Story

LETI was founded in 1998 by Rosario Reyes, a first-generation immigrant from Peru, as a response to the lack of information and resources available to Latino immigrants. LETI's focus was and continues to be, to help immigrant individuals realize their full potential.

Our Mission

To facilitate the personal and financial success of Spanish-speaking Latino immigrants and low-income individuals to pursue their dreams and become leaders in their communities. LETI strives to support family well-being and resilience through education, cultural awareness, and social justice, providing a forum for voices in the struggle toward racial equity.
